

## Briar Cove Spring Clean-up Day 2008

On Saturday 4/26/08 the Landscaping and Beautification Committee put together a very enthusiastic group of Briar Cove residents who shared their time, talent, and tools to clean-up both entrances to Briar Cove . They also trimmed the trees around the pond , collected debris along 213th street and cleaned up around the water fall . The project took a couple of hours, was a lot of fun, and offered an opportunity to talk with neighbors. Special thanks to the following committee members and volunteers.... Dave DeYoung , John Battey , Sandie Schmitt, Ron and Mary Szikora , Patti Jongsma, Michele Seto, Tom and Cele Beishuizen, Marve and Nancy Lyzenga, Dolores Roman, Arlene Beddigs, Janet Coyer, Bill Sliepka, George Gadomski , Chris Popp
