If you receive trash and recycling service from Schererville you should have or will soon receive your new trash and recycling containers from Republic Services.

Please take time to review this color coded map and recycling calendar schedule. As you can see the map divides the Town into four color coded recycling zones which correspond to the color coded schedule. Please locate the zone that you are located in and match it to the correct color on the recycling pick up schedule. This will be your recycling pick up dates starting in December.

Remember your recycling should be placed only in the container with the green lid. The new collection containers will be a major improvement to the current system. As with any new program there will be an adjustment period as we adapt to these changes. If you have any questions or experience a problem please contact Republic at (219) 662-8600 or contact the Town at 322-6688.

Thank you,

Bob Volkmann
